

Children's
'Design a Christmas Card'
Competition 2007.

We are offering a brilliant opportunity for all of your budding young artists to design our Christmas cards for this year and win one of five fabulous art sets!

We are doing this to raise much needed funds for the charity as we rely entirely on donations to keep our charity going. So, this year we will be selling our own Christmas cards, exclusively designed by your children, with ALL profits going directly to Perinatal Illness - UK. Five winners will be selected and their designs will be printed and included in the Christmas card packs which will go on sale from the end August 2007.

How to enter

Please ask your children (up to 14yrs) to design a colourful Christmas card to be included in our pack.

- All entries should be on white A5 paper. (Due to the printing process please do not submit work with metallic ink, glitter or any form of collage - but any Christmassy design in bright coloured pencil, pen or paint that is your child's own work would be great.)
- Remember to include your name, address and telephone number along with the child's first name and age written clearly on the back of the picture (in pencil or biro so it doesn't show through). We welcome entries from children of all ages up to 14 years.

All entries to be sent to:

Perinatal Illness - UK, Children's Christmas Card Competition, PO Box 49769, 20 Flaxman Terrace, London. WC1H 9WH. They should reach us by the closing date of, Thursday 26th July 2007. Winners will be notified by mid August.

All entries will be judged by the Charity committee and their decision will be final. Entries received after the closing date or without name, address & contact details cannot be included in the competition.

Good luck!
